parshvanath

“

One of the most premium suburbs of Mumbai, Vile Parle to soon boast an addition to its skyline.

‘Parshvanath’ is an exclusive residential tower located very well in the upscale residential portions of Vile Parle with an excellent proximity to S.V. Road, Vile Parle Station, top educational and social institutions and a few minute drive to the domestic and the international airport.

Being the most premium project of Vile Parle, it promises some of the best amenities and features and a building that is technically sound.

With an attractive elevation, the building promises to have one of the most livable spaces from inside making some of the most beautifully designed homes for our esteemed customers.

A very professional team with deep technical knowledge is working on the project to ensure timely completion and excellent quality, both for the structure as well as the elvational aesthetics.
